CALL FOR NEW JAIL.

Democrats of Lamotte County Also Seek Tax Reform.

Hyde Park, Aug. 1.—At the mass Democratic county convention held here Saturday afternoon the following ticket was placed in nomination: Senator, O. N. Campbell, Hyde Park; assistant judges, C. E. Bart of Stowe, James M. Kelley of Morrisville; sheriff, George E. Town, Morrisville; judge of probate, E. C. White, Hyde Park; state's attorney, Frank E. Strong, Hyde Park; high bailiff, O. S. Spaulding, Hyde Park.

The candidates for sheriff and judge of probate are endorsement of Republican nominees.

Resolutions endorsing the state ticket and the platform were adopted. Resolved, That it is the sense of this convention that the assistant judges at once provide suitable temporary quarters at the county seat for the care of prisoners, and thereby save the county the expense of taking them to other counties for safety. Resolved, That the tax laws of Vermont be so amended that money loaned on real estate at 4 1/2 per cent. be exempted from taxation and also the delay away of offsets.

At the union service held in the Congregational church last evening, under the auspices of the Baptist, Congregational and Methodist societies of this city, Rev. Edward Q. Thayer of the last-named church occupied the pulpit.

In the introductory remarks of his sermon, Mr. Thayer spoke of the interest evinced by the various young people's societies of the three churches, as indicated in the size of the congregations.

After recalling the desire expressed by some of the members at a young people's meeting held earlier in the evening to interest outsiders in the work of the church, he ended by challenging the young people's societies connected with the three churches to hold an open air meeting in the park next Sunday evening.

He offered to speak, if others would make arrangements for music for the occasion. It is not known what action will be taken as a result of the challenge, but it is thought probable that something will develop within the week and that on next Sunday night some kind of a service will be held on the park. Should this prove true, the proposed meeting will be something of an innovation in this city. At any rate, here will be an opportunity for the park bench-warmer, as well as the hot weather backslider, to hear the gospel in the open air.

GREAT DEMAND THIS SPRING FOR TENEMENTS,

especially in south and easterly sections of the city, also nearly all houses built for homes the past year were built in this section of the city. I have lots of many desirable streets; and mostly in eastern section of city, on Hill St., Ayer St., Kirk St., Quarry, Circle, Camp, Fremont, East, Currier, Grandview, Long St., any of which I will sell at a favorable price, or more favorable than equally as desirable lots can be had elsewhere. If you were to buy a cow you would usually see a party who had many for sale, rather than buy a man's only cow. Take a walk during the next day or two, visiting above streets. Notice they are our best streets and lots well elevated. No fear of surface water or floods.
